

SAINT LOUIS SCHOOL

A Catholic Marianist School for Young Men, Since 1846

2/13/12

Dear Parents/Guardians,

This letter is to inform you that we are in full swing with our course planning process for the 2012-2013 school year. There are four important pieces of information that will guide and assist you and your son in choosing the appropriate courses:

1. Graduation Requirement Checklist

Attached is a graduation requirement checklist. This checklist has the minimum credit requirements, as well as the required courses that he will be expected to complete by 12th grade year. You may use this to cross-reference classes he's completed, and plan appropriately for his upcoming year.

2. Course Registration Form

Attached is a course registration form. This form outlines the required courses along with elective courses offered to your son for the 2012-13 school year. Please review this with your son and fill out accordingly. This is due by February 27th.

3. Online Course Catalog

Not sure what a particular class entails? Check out our online course catalog for course descriptions and pre-requisites for interested courses. You may access the online course catalog on our website at www.saintlouishawaii.org.

4. Naviance

Naviance is our college and career readiness tool. We have assigned a number of tasks for your sons that help match his personality traits and career interests with college degree programs and career choices. This will help in ensuring that he selects courses that fit his college degree aspirations. You may access your account at www.naviance.com.

Course Registration forms are to be completed, signed by the parent and child, and returned to the counseling office by **Monday, February 27**. Failure to do so may result in the loss of your preferred class enrollment. Please contact your counselor should you have any questions.
