

Laptop Computer Registration Form

Please complete the following form with the proper information.

It will be mandatory for each laptop on campus to be registered with SLS in order to utilize the School's wireless connection. After registering with SLS your form will be processed and you will receive an authentication code to access SLS wireless. This code is the responsibility of the student and must be kept confidential.

In addition, this information will be maintained on file at SLS and available to assist investigators in the event that your laptop computer is misplaced or stolen. The information contained on this form may assist in the recovery of your property if it has been reported stolen and/or lost and found.

*Please fill out one form for each personal laptop used on the SLS campus
