Aloha Saint Louis School Parents and Guardians,

Between Spring Break, an accreditation visit, our Junior/Senior Proms and more, a few weeks have passed since our last newsletter, but it’s nice to be writing one again as we head into the last stretch of the school year.

In particular, I am excited to announce that our Mid-Term accreditation visit was a great success with several commendations given after a visiting team of educators evaluated all that we do at Saint Louis School as stated in a 21-page report we provided them prior to their visit on campus. In three years, our next full accreditation visit will occur and the success of our Mid-Term visit is a good sign that we are moving in the right direction in that process. In a few months, another visiting accreditation team will visit our new elementary school to undergo a similar process. New grade levels in schools do not become accredited until they are in session, and we look forward to that process when our elementary school doors open in August of 2016.

Below are just a few pictures of the many incredible things our Crusaders are doing here in Hawaii and around the world! It is such a pleasure to share them with all of you.

At their prom, each Junior was required to introduce his date to all of our teachers. I am proud to say our Saint Louis School gentlemen did a fine job!

The Senior Prom was a great success also!
During the Spring Break, our students had a joyous time in Japan learning about their culture, language and traditions.
