Aloha Saint Louis School Parents and Guardians,

Thank you for putting your trust in Saint Louis School to provide a quality Catholic, Marianist education for your sons to become 21st century leaders who are mindful and faithful. Over the summer, our newly renovated locker room was completed. In addition, our elementary school classrooms are looking fantastic! It’s been a very busy summer for us, but surely an exciting one!

With enrollment increasing and the reintroduction of our elementary school, we hired two alumni to fulfill vital administrative roles. Mr. Christopher Casupang ‘87 will be the Lower School Principal (K-8), Mr. Robbie Murakami ’85, formerly the Director of Faculty and Academics, will be the High School Principal, while Mr. Michael Pa’ekukui ‘84 will be the new Director of Academics for all grade levels.

Christopher Casupang ’87, Michael Pa’ekukui ’84, Robbie Murakami ’85
In addition to new personnel, several programs will be started next school year to enhance the student experience on campus. First, we are adding a lower school academic/personal counselor to support our students. We are also investing into several varieties of computer assisted learning programs which will allow our students to develop their academic skills at their own individual pace. One program will function as our very own e-library with thousands of books and assessments to measure reading comprehension skills. Another provides the opportunity to track and develop math skills. Our lower school teachers and students will experience blended learning by balancing personalized and project-based instruction. Finally, we decided to emphasize ACT testing for students in grades 3 to 12 because it allows for the use of consistent test data to measure student performance, while also ensuring that every student at Saint Louis School has taken a college entrance exam.

Lastly, Father Allen and Father Pat will be providing more opportunities for students to take part in retreats that will help develop their faith in God, themselves, and others. Of course, there is more news to share about what is coming up in the 2016-17 school year and you will be hearing from Mr. Casupang and Mr. Murakami very soon with their own introductory letters and school-related information.

Memor et Fidelis,

Glenn Medeiros Ed.D.
