Aloha Saint Louis School Parents and Guardians,

This week we celebrated the success our students achieved in the 4th quarter of last school year. One of the things I appreciate most about many of our Crusaders is that they are well-rounded young men who often do well both inside and outside of the classroom. In addition to strong grade point averages, our students are involved in athletics, the arts, and much more.

Service, Justice, and Peace is one of our Characteristics of a Marianist Education (CMEs). From sharing meals and conversations with those in need to serving our community in times of emergencies with our Civil Air Patrol, it is imperative that all Saint Louis Men understand the value of finding purpose in life by serving others with the objective of creating peace and justice in our world.

Nearly 15 families participated in our new “Ka Pilina” series taking place once a month that provides parents an opportunity to better connect with Saint Louis School. The focus of our first meeting was “Adaptation and Change” in the context of being a new student at Saint Louis School. Students, alumni, teachers, and parents all shared advice about how to best make the transition to Saint Louis School and what it really means to be a Saint Louis Man.

Each recipient of our academic awards had a picture taken alongside their Crusader brothers.
