Aloha Saint Louis School Parents and Guardians,

If you visit our school website at www.saintlouishawaii.org, you can find a link to our official Facebook page. There you will see posts made on a weekly basis sharing not only what our current students are doing, you can also find there pictures of our alumni spending time together many years after they graduated from Saint Louis School. As was the case in last night’s 45th reunion of the Class of 1971, the Brotherhood runs deep and certainly does last a lifetime. To view pictures of that event, please visit our official Facebook page.

As you look over the pictures below, you will get a glimpse of how that brotherhood is created and strengthened here at Saint Louis School. I hope that you enjoyed your long weekend and I look forward to seeing you tomorrow.

Memor et Fidelis,

Glenn Medeiros, Ed.D.

Head of School

*Elementary school students are comfortable with each other no matter how big or small.*
Professor Boom i Ka Boom Kanani taught our kindergarten students science with the use of red and blue goo! She sure looks just like our kindergarten teacher!

Our Juniors did a fantastic job at our Emmaus Retreat!
Our JROTC students taking part in activities where they learn to work collaboratively.

Here our students pray with and learn from Father Allen.
Leadership involves communicating with your peers.

This Sunday Mother Teresa officially became a saint. The picture of her to the top left is one of my favorite images of her. What an amazing person she was!
