Aloha Saint Louis School Parents and Guardians,

Providing an integral, quality education as stated in our Characteristics of a Marianist Education is reached in several ways at Saint Louis School. Exposure to various experiences is one way of achieving that goal. This week our students took part in our Club Fair. During that time they were encouraged to consider joining various clubs on campus. At Saint Louis School we have a wide variety of clubs for our young men to choose from.

Enjoy these pictures below and don’t forget to tell your sons to sign up for the many clubs available to them at Saint Louis School.

This year we celebrate the 50th year of the creation of the Fighting Crusader. Although the Fighting Crusader has gone through several small adjustments throughout the years, the picture above is the original Fighting Crusader created by Dr. Chester Vause from the Saint Louis School Class of 1970 during his Freshman year. He currently is a Physics Professor at the University of Hawaii.
