Aloha Saint Louis School Parents and Guardians,

‘Adaptation and Change’ is one of our five Characteristics of a Marianist Education at Saint Louis School. In the last year, we experienced a few exciting changes made with the intention of providing your son the best possible chance for him to succeed here and beyond the slopes of Kalaepohaku.

For the first time at Saint Louis School, students will be participating in the ACT standardized test to measure how they are achieving academically based on College Readiness Benchmarks. The ACT is one of the leading U.S. college admissions tests that can now be administered to grades 3-12 and assess student academic preparedness for higher learning. The ACT will be administered as follows: Grades 3-8 Tuesday, October 18th & Wednesday, October 19th and Grades 9-11 Tuesday, October 18th. We need your help in communicating to your son how important it is for him to take this test seriously by giving his best. Often, students will not put forth the effort needed on assignments when there is no grade attached. By giving their best effort on this exam, the data we collect from the ACT will accurately measure where each student currently is and assist us in providing the instruction needed for them to improve their performance on the ACT in the future. Here is how you can help your son prepare for the testing periods:

• Make sure your son gets a good night’s rest
• He should eat a hearty breakfast
• Arrive to school on time

I hope to see you around campus. Have a great week!

One of our very own little Crusaders spoke to this year’s GODA audience.

Our 2016 GODA recipients Buster Medeiros, Stanford Yuen and Dr. Clifford Chang are all graduates of SLS who have done much with their lives to serve their community.
Thanks to Dr. John H. Felix, our Seniors were able to attend the GODA ceremony and witness the stories of their Crusader brothers who received the GODA award.

There are so many unsung heroes working behind the scenes to create unforgettable experiences for our Crusader ‘ohana. Here, Ray Abregano helps to guide our Seniors sing the alma mater for all those present at the GODA ceremony. Teachers, staff, parents and more gave of their time to make this year’s GODA ceremony the special one it was and we are very appreciative of everyone’s efforts.
