Aloha Saint Louis School Parents and Guardians,

One of the five Characteristics of a Marianist Education is Formation and Faith. Your son has many opportunities to form his faith here at Saint Louis School at monthly masses, school-wide prayers before and after school starts, at various retreats, prayer services and much more. Whether Catholic or non-Catholic, praying alone or with others provides students the opportunity to think about those they care about and to reflect upon the lessons they’ve learned in school and in life. Educational research clearly shows that reflecting upon what we learn is a skill that helps us to log information into our long-term memory. Once that is done, we can access that information and use it for the rest of our lives.

Enjoy the rest of your weekend and stay mindful and faithful.

Of all the things we do, it is moments like these that I cherish most as an educator. These students and teachers choose to pray together each morning prior to the start of school each day.
