Aloha Saint Louis School Parents and Guardians,

One of the five Characteristics of a Marianist Education is Family Spirit. Families take good care of each other and they support one another when needed. In the pictures below you will see evidence of that here at Saint Louis School. I have the pleasure of experiencing family spirit in person here on campus on a daily basis and it is truly one of the wonderful things about this Marianist school.

Enjoy the rest of your weekend and I hope to see you at tonight’s game.

Memor et Fidelis,

Glenn Medeiros, Ed.D.
Saint Louis School
Head of School

Our SLS soccer team took time from their practice to take this picture for me. Good luck this season!
These Crusader wrestlers in training are so strong that they sometimes lift their own coaches! Wow!

Now that is CrusaderStrong!

Sister Rosario visited Saint Louis School to attend the Mackey Lecture in the Mystical Rose Chapel and it was great to see this person whom I admire so much and had the pleasure of working with for almost 10 years at Maryknoll School.
Here our first grade teacher waits along with these elementary school students to be sure they are picked up safely.

Our teachers took part recently in a professional development seminar at the Clarence T. C. Ching Learning and Technology Center to learn about the science of caring. This activity was one of many that day.
Some of our faculty and staff flew over the weekend to San Diego to watch Marcus Mariota play for the Titans!

Our students took part in We Vote Hawaii this year and they have their cards to prove it!
I am very proud of our football team and their coaches for making it to the playoffs in Division One football. Let’s hope we can bring another championship back to the slopes of Kalaepohaku.

Win or lose, these young men have given it their all and I truly appreciate that!
