Aloha Saint Louis School Parents and Guardians,

As we approach the end of the first semester at Saint Louis School, students will be presenting to all of you some of the things they’ve learned in the form of concerts, presentations, and more. The pictures in this newsletter will provide you a little sneak peek into just a few of those special moments. What you will notice is that all of our Characteristics of a Marianist Education can be seen in the various activities taking place in December. You will also find in those images students strengthening in faith, sharing their family spirit, adapting and changing, serving others and building their skills through the quality education they receive here at Saint Louis School.

Have a great week as we look forward to spending even more time with family and friends during our Christmas break coming up soon!

Saint Louis School graduates from the 1970’s and more visited our campus this week to say farewell to their football coach, Mr. Marciel, for all he has done to inspire them to become the Saint Louis Men they are today. It was a very emotional night for everyone. Mr. Marciel will be moving to the Big Island in a few weeks. He is one of the most caring and intelligent people I’ve ever met.
