Aloha Saint Louis School Parents and Guardians,

I will have the pleasure this week of being a part of the accreditation team that visits Kamehameha School – Kapalama. My hope is to learn from them the many incredible things they do there. We have a very special relationship with them given that Hawaiian Language and Culture has always been rooted in the history of both schools. Adaptation and Change is one of our Characteristics of a Marianist Education and it is always good practice to be aware of what other schools are doing with their students and be open to making adjustments when opportunities present themselves that lead to creating the best possible learning environment for students.

Enjoy the pictures below and please remember to remind everyone about the fabulous musical we have playing at Mamiya Theater called Hairspray. We hope to see you there!
